

CREATURES OF THE NIGHT

No School/Homeschool Day Camps For Kindergarten - 4th graders

Whoooo only comes out at night? How are these creatures able to survive so well in the dark? Join us for hands-on activities, games, and experiments to discover nocturnal animals' special abilities to see, hunt, and communicate in the dark.

All dates are the same program, from 8:30AM to 3:30PM at Waitt Lab located at Lakeside Laboratory. Please register for the homeschool date or no-school date of your child's district.
