

SPRING BIRDS

No School/Homeschool Day Camps

For 5th - 8th graders

Bluebirds, Robins and Waxwings - oh my! Join us at the start of spring migration to learn about these avian friends! Meet a live owl, learn about falconry and try your hand at identifying some of Iowa's common spring birds.

All dates are the same program, from 8:30AM to 3:30PM at Waitt Lab located at Lakeside Laboratory. Please register for the homeschool date or no-school date of your child's district.
