

# No School/Homeschool Day Camps

For Kindergarten - 4th graders

Camps run from 8:30AM to 3:30PM and will be hosted at Waitt Lab located at Lakeside Laboratory (1838 Highway 86, Milford, IA 51351). Please register for the homeschool dates or no-school dates of your child's district.

Participants should bring a water bottle and dress appropriately for being outside. *Lunch and snacks are provided.*

## JOURNEY THROUGH TIME

Step into our time machine and join us for a Journey Through Time! Young explorers will enter the prehistoric world of dinosaurs, learn how people lived long ago, and try their hands at old-fashioned pioneer skills. With hikes, games, art projects, and hands-on adventures, campers will experience the past in an exciting new way!

## JUNIOR RANGERS

Step into the boots of a ranger for a day! From learning how to protect the environment and identifying animal tracks, campers will practice the skills rangers use every day. Along the way, they'll craft their own ranger badge, hike, play games, and listen to the sounds of nature. By the end of the day, campers will be ready to proudly call themselves a Junior Ranger!
