IOWA STATE UNIVERSITY
Extension and Outreach

6:00PM - 6:30PM - WELCOME & SOCIAL

6:30PM - 7:15PM - SESSION ONE:

Option 1: Air Rifles

Interested in trying target shooting? This session introduces the basics of air rifle safety, handling, and shooting technique. With guidance from trained instructors, you'll have the chance to practice in a safe and supportive environment.

Option 2: DIY Mason Bee Homes

Get creative while helping native pollinators! In this hands-on craft session, you'll build a mason bee house to take home. Learn about these important pollinators and how providing nesting habitat can help support them in your yard or garden.

7:30PM - 8:15PM - SESSION TWO:

Option 1: Archery

Try your hand at archery! Instructors will guide you through proper stance, aiming and safe shooting techniques while you practice hitting the target.

Option 2: Wild Edibles

Take a walk and learn about edible plants growing in our natural areas! We'll cover how to safely identify a few common wild edibles, their traditional uses and tips for responsible foraging. Participants will prepare and sample some of the plants they collect.

8:15PM - 8:30PM - GROUP PHOTO AND GOODBYES
