

# IOWA LAKESIDE LABORATORY

## 2019 PUBLIC PROGRAMS

### WILD WEDNESDAYS

Free, fun, summer family programs every Wednesday evening at 7:00 pm, Waitt Lab

June 12	Rabbit, Chirp, Whoosh! Nature's Music
June 19	Hop, Splish and Splash: The Wonders of Wetlands
June 26	International Mud Day
July 3	Mesmerizing Mammals
July 10	Good, Bad or Ugly? Wonders of Weeds
July 17	Little Things, Big Things
July 24	It's a Shore Thing: Life in Shallow Waters
July 31	Sink or Swim: Life in the Deep
August 7	Nature: A Walking Play

**NATURE: A Walking Play** This summer Iowa Lakeside Laboratory and Tiger Lion Arts will present the beloved walk play *Nature*, the outdoor telling of Emerson, Thoreau and their mutual love of the natural world. The play is written and created by Minneapolis-based actor Tyson Forbes (a direct descendant of Ralph Waldo Emerson) and director/producer Markell Kiefer.

Performances at Lakeside Lab:

- Thursday, August 8, 6:00 pm
- Friday, August 9, 6:00 pm
- Saturday, August 10 Special Appearance at the Blue Water Festival, Arnolds Park
- Sunday, August 11, 1:00 pm

**LAKESIDE TREASURE HIKE: June 1 – October 1** This self-guided nature exploration and tour of Lakeside grounds is perfect for children, families and 'kids of heart' of any age. Pick up a treasure map at the Lakeside entrance and go exploring for hidden clues and secret messages.

### FRIENDS SCIENCE SEMINARS

Learn and engage with scientists sharing their research. 7:00 pm, Mahan Hall on Tuesday evenings during summer months. Topics and dates can be found on the Lakeside website at [www.iowalakesidelab.org](http://www.iowalakesidelab.org).

**COFFEE AND GROUNDS** Work hard and learn about native ecosystems while restoring prairie and oak savanna at Lakeside. Then relax and make friends over coffee and treats. Meet at the Waitt Lab at 8:30 am each Tuesday during snow-free months.

**VOLUNTEER FOR WATER QUALITY!** The Cooperative Lakes Area Monitoring Project (CLAMP) is looking for volunteers to monitor lake health. Free training and equipment provided. Contact 712-337-3669 Ext. 7 for information.

**ACADEMIC COURSES** Lakeside's field-oriented courses offer an experience of a lifetime! **Enrollment is open to students from any college or university.** Visit [www.iowalakesidelab.org](http://www.iowalakesidelab.org) for registration and scholarship information.
