

Becker Family Graduate Research Fellowship

The Becker Family Graduate Research Fellowship is available annually to support research in biology, ecology, or other environmentally related field by a student at Iowa Lakeside Laboratory. The Fellowship provides up to \$2,500 for a student stipend, equipment, or other research supplies.

The scholarship was established in 2017 through a generous gift from the Becker Family, who are long-standing members of the Okoboji community.

Application Process

The Becker Family Graduate Research Fellowship is available annually to support graduate level research on topic with an environmental focus. Applicants should email a cover letter, CV, and statement of research and fellowship goals to the Executive Director at Mary-Skopec@uiowa.edu. In addition, transcripts (unofficial are acceptable) of all undergraduate and graduate level courses and a letter of recommendation should be sent to: Executive Director, Iowa Lakeside Laboratory, 1838 Highway 86, Milford, IA 51351. The deadline is April 1. Recipient(s) will be chosen by the Director and two other applicant reviewers.
