

Dear Youth Advocate,

We are excited to announce the opening of The Lindsey Vonn Foundation Scholarships for Summer 2019!

The Lindsey Vonn Foundation provides future generations the tools they need to discover the grit within, pursue their passion, overcome obstacles, and reach their goals through scholarships, programs, and mentorship.

A scholarship from the Foundation is a financial aid option to allow the next generation to pursue their passion in enrichment activities to reach their goals. The scholarship is available to youth in middle and high school for any national program or organization.

Below are the eligibility requirements:

- Gender: girls and boys, with priority going to girls
- Age: 11 to 18 years of age at the time of application
- Any U.S. program/ organization
- Household income of \$120,000 for a family of four
- Students can receive only one scholarship per year, but can receive three scholarships in total during their period of eligibility

In their applications, applicants should showcase their ability to overcome obstacles, discover grit, and pursue a passion. Scholarship funds can be applied to enrichment activities of any kind, including camps, prep-classes, clubs, etc., that help children engage in their passion.

Applications are to be completed online and can be in written or video format with an attached letter of recommendation.
